MEMBERS OF MOB SHOT

CAIRO, ILL., WHITES AFTER NEGRO FIRED UPON BY THE SHERIFF.

WILL FIGHT TO A FINISH

Official Sends Word to Members of Mob That He Will Protect Prisoners Who Are Wanted for Purse Snatching.

Cairo, Ill., Feb. 18.—In a pitched battle at midnight between a mob that seeks to lynch a negro charged with purse-snatching and five deputy sheriffs, who are guarding the jail, several members of the mob were shot down in an attempt to rush the jail. The number of injured is unknown, the estimates varying between two and 11.

The mob was still gathered about the jail at 2 o'clock this morning and is constantly increasing in size. Sheriff Nellis has entrenched his force of deputies behind shuttered windows and has sent out word to the mob that he will fight to a finish to protect his prisoners.

Mob in Frenzy.

The mob has worked itself into a frenzy and another rush on the jail is expected at any minute.

The local militia company, company K, was ordered out at 10 o'clock by Governor Deneen, but the authorities have been unable to find the company's officers to order out the men.

Sheriff Nellis has appealed to Gov. Deneen for more soldiers and additional companies are expected in before morning.

Three Blacks in Jail.

There are three negroes in the jail. One of them, John Pratt, was arrested Wednesday afternoon on a charge of snatching purses, from women, and later confessed. He was immediately indicted by the grand jury and it is believed the mob is after him.

The mob began forming shortly after dark and as soon as the talk of lynching reached Sheriff Nellis he appealed to Governor Deneen for troops and swore in 20 deputies.

A crowd gathered about the jail about 9 o'clock but no attempt to rush the structure was made until shortly before midnight.

Nellis made good his promise to shoot and several in the mob went down at the first volley.

Following the volley the mob withdrew to a safe distance and began firing into the jail, but injured nobody.

The injured were carried away by friends and the extent of their injuries as well as their identity was concealed.

Governor Gets Message.

Springfield, Ill., Feb. 17.—Governor Deneen late Thursday night received a telephone message from Sheriff Nellis of Alexander county, asking that a company of troops be ordered out to assist him in preserving order in Cairo, where there was fears of a riot.

Governor Deneen ordered Company K of the Tenth infantry, at Cairo, to place itself at the disposal of Sheriff Nellis, who stated that he had sworn in five deputies.

Sheriff Nellis informed Governor Deneen that Wednesday two colored boys had been snatching purses on the streets of Cairo and that two women had been robbed, one of whom was a relative of Annie Pelley, the girl who was recently assaulted and murdered, and whose murder caused the lynching of William James, a negro.

Comanche, Ok., Feb. 18.—George Reed of Forest City, Mo., is here with his deep well drilling outfit, and a well will be put down 2,500 feet if necessary to test the hidden riches in old mother earth in the near vicinity of Comanche.

HOUSE IS BURNED.

Tahlequah, Ok., Feb. 18.—The residence of Herbert Smith has burned, with a large part of the contents. The fire started in the top of the house by a defective flue. The building was worth \$1,600 and carried \$1,000 insurance. The contents had an additional \$500 insurance.

FORGERY CHARGE AGAINST WOMAN

MRS. O. M. PARSONS ARRESTED YESTERDAY.

Lives at Henryetta—Complaint Filed by Texas Department Store—Second Offense.

Mrs. O. M. Parson of Henryetta was arrested at Holdenville yesterday and brought to Ada on a charge of forgery. She waived a preliminary trial and on default of a bond of \$500 was committed to jail.

The complaint against Mrs. Parsons was made by the Texas Department store, this store having cashed a check of \$75 for her on September 1, last year. The check was on the First National bank of Fort Smith, Ark., and was signed "H. C. King, M. D."

Not Her First Offense.

This is not the first forgery she has committed. While in the city last September she was arrested for the same offense. This time she made bond and the case is now pending in the district court.

Nothing is known of the woman other than above stated, except she is said to be pretty and young.

OKLAHOMA FIRES.

Wynnewood, Ok., Feb. 18.—The mercantile establishment of Moore & Rollow, one of the largest firms in the city, was almost wiped out Tuesday night by fire. Cause of the fire unknown. Loss will run into the thousands, partially covered by insurance. The wind was blowing a terrific gale from the north and it was with a mighty effort that the fire company saved the entire business section from Main street south.

Frederick, Ok., Feb. 18.—The plant of the Simmons Gin Company has been entirely destroyed by fire at Tipton. The loss will reach about \$10,000.

BOY THROWN FROM HORSE.

Lenora, Ok., Feb. 18.—Lee, the youngest son of W. H. Williams, was thrown from a horse yesterday and severely injured. He was riding a young horse and had opened a gate for his father, who had driven through with a carriage. As he was remounting, the horse became frightened and threw the boy to the ground, one of the horse's hoofs striking his head.

WHISKEY IS WHISKEY---TAFT

Whether It's Blended or Straight, Its Whiskey, Decides the President.

Washington, Feb. 18.—President Taft's decision in the liquor controversy that "whiskey is whiskey" whether it be blended or straight, has been formulated in a set of regulations prepared by the board of food and drugs inspection of the department of agriculture. The regulations were completed late today and appeared, as required by Secretary Wilson, of the department of agriculture; Secretary MacVeagh, of the treasury; and Secretary Nagel, of the department of commerce and labor.

In brief, the regulations declare that all unmixed spirits, distilled from grain, prepared in the customary way, are entitled to the name "whiskey," without qualification. Blended whiskey must be labeled as such.

The term "whiskey" however, is restricted to distillates from grain, and under the regulations, distillates from other substances, labeled "whiskey," are misbranded and the person guilty of misbranding may be prosecuted.

POSTAL SAVINGS BANK PLAN.

Here's what the proposed postal
savings bank contemplates:

Paying every postmaster in the
United States one-fourth of one per-
cent on deposits through every post-
office in the country. This is to be
the postmaster's fee for doing the
business.

There are some 60,000 postoffices in
the United States. Now how do the
banks feel about competing with 60-
000 postmasters, in addition to the
competition between themselves?

GRAFT—YES—GRAFT.

Governor Harmon of Ohio is hav-
ing a hard time. Just about every
time he turns around he stumbles
onto evidence of graft—graft grafted
under republican administration. The
governor has been investigating and
he's still investigating. And from the
looks of the situation he will con-
tinue to investigate for some time.
He has started suits to recover hun-
dreds of dollars stolen by state of-
ficers before him.

While the Ohio governor is busy
in an attempt to dig up the people's
money, the governor of Colorado is
uncovering bad facts and figures re-
garding public institutions while the
republicans were in power in that
state.

New York is getting its share, too.
The republican senate leader is the
subject of an investigation, accused
of accepting bribes. Dead men's
names are being brought into the
scandal.

Republicans tried to steal the state
capitol of Pennsylvania—did steal
about all that came into it. They are

now on trial.
Illinois is wrought up over the
waterway plot, which graft the re-
publicans have been working for
some time.

The sugar scandal at Washington—
only \$30,000,000 was stolen, says the
New York Sun—and no one has
been punished. Repeated charges of
graft have been hurled at the navy.
None has been denied.

Behind all this is the Panama
canal mystery.

Graft is apparent in many places
under republican governments.

The hope of getting matters
straight is by electing a democratic
congress. That is the only thing re-
publicans fear. And that is what is
keeping the republicans on edge at
Washington.

KIND TO BUSINESS COMPETITOR

Is Hon. Byron Norrell of the Dem-
ocrat.

Otis Weaver of the News sincere-
ly appreciates the following expres-
sions of Byron Norrell of the Dem-
ocrat clipped from a late issue of his
militant democratic press:

"At the meeting of the Democratic
State Committee last week, Otis B.
Weaver was appointed as one of the
members of the State Campaign
Committee. We predict that he will
render valuable service to the cause
of democracy during the coming cam-
paign, for he has always been an ar-
dent champion of the party, and has
rendered valuable assistance in times
past. The question of permanent
chairman was left open for the pres-
ent, Mr. Tillotson being appointed
temporary chairman.

OKLAHOMA DEATHS.

Durant, Ok., Feb. 18.—A fatal ac-
cident occurred yesterday at the Mis-
souri, Kansas and Texas crossing on
Main street. Mrs. Nannie Mitchell of
Shawnee, Ok., who has been visiting
her brother, J. H. Newman of this
place, was crossing the track on her
way to the depot preparatory to re-
turning home on the Flyer. While
passing between two freight cars she
was seriously crushed when they
were shoved together. Her hips and
body were badly mashed and serious
internal injuries were inflicted, from
which she died last night.

Lenora, Ok., Feb. 18.—Word was
brought from Deltis that the 4-year-
old daughter of Mort Haines was so
badly burned on Thursday last that
she had died. There were two chil-
dren alone in the house, and her
clothing became ignited from the
stove. The little brother carried his
sister out of the house, but before as-
sistance arrived she was so badly
burned that nothing could be done to
save her.

Guthrie, Ok., Feb. 18.—James W.
Varble, aged 54, died here last night.
He was born in Liberty, Mo., and liv-
ed there until nine years ago. He was
a brother-in-law of Ben Burke, Cen-
sus Supervisor for this district. He
had been connected with the Guthrie
Street Railway Company for a num-
ber of years. His widow and two sons
survive him.

Enid, Ok., Feb. 18.—H. W. Bonner,
a plumber employed by the Oklahoma
Plumbing company, while return-
ing home late Monday night, acci-
dentally fell into a storm sewer a
distance of twenty-six feet, where he
lay until morning before being dis-
covered. Bonner died at University
hospital this morning from his injur-
ies.

Guthrie, Ok., Feb. 18.—Mrs. C. R.
Buckner, whose husband died here
two weeks ago, died last night and
the remains were taken today to
Fayetteville, Ark., for burial. They
were formerly prominent at Fayette-
ville, where her father was a mem-
ber of the supreme court for many
years.

A BOUQUET FOR RATLIFF.

E. S. Ratliff is from the "State of
Pontotoc" and is often confused with
J. M. Ratliff of Mansville and E. N.
Ratliff of Vinita, the names being so
much alike. If Ada people take the
measure of their representative with-
out bias, he is a man who gives a
great lot of service and makes very
little noise about it, and that reputa-
tion down at home is rather well
borne out here in the capital city
since Ratliff has been with us as a
legislator.—Guthrie Leader.

GRANTED A PAROLE.

Guthrie, Ok., Feb. 18.—Gov. C. N.
Haskell today granted a parole to
William Anderson, who was convict-
ed in 1905 in Comanche county and
sentenced to serve eight years in the
penitentiary for manslaughter in the
first degree and was convicted of
killing W. G. Barnhill, a Union sol-
dier and former resident of Guthrie,
on Sept. 23, 1904. The men were
neighbors, but quarreled and Ander-
son shot Barnhill with a Winchester
rifle. He has served five years.

GOVERNOR BEFORE THE COMMITTEE

GIVES HIS TESTIMONY IN IN-
VESTIGATION.

Tell of Employment of Detective
Lawler and Correspondent
Fletcher.

Guthrie, Ok., Feb. 18.—Gov. C. N.
Haskell was a witness before the
house committee on investigation
Thursday, and gave testimony con-
cerning expenditure of appropriation
made by the legislature for his of-
fice and to be disbursed under his
direction. The committee was unable
to obtain Detective Lawler of Okla-
homa City, who has been ill, but the
governor was closely questioned by
Representative Clark, attorney for
the complainant, as to Lawler's em-
ployment.

Mr. Clark immediately took up the
employment of Detective Lawler and
his payment out of funds appropri-
ated by the Legislature for use in
connection with the governor's office.
The governor agreed that the detec-
tive had been hired on dates as
shown in the Maris charges, but that
such employment had been verbally
made and without notice of same in
writing.

"Did he ever make a written re-
port to you?" asked Mr. Clerk.

"He may have done so," answered
the governor, "but it is not likely.
Communications on the service for
which he was employed are very
dangerous. If it is by telephone you
do not know who is tapping the
wire; if by telegraph, you can not
tell who is standing in with the
operator and getting copies of your
messages; and if by mail, you can
not tell who is getting hold of your
letters, and the character of service
Lawler was rendering would have
been worthless if the opposition got
hold of the information; therefore, it
is the policy of the state, as well
as the National government, to
guard such matters with all the de-
gree of secrecy possible. I also re-
ceived reports from him that were
not verbal."

"Are they of such a character as
would be consistent with the pub-
lic welfare," asked Mr. Clark, "to
submit them here as a part of the
records?"

Mr. Clark asked as to \$300 paid
to Lawler on claim dated Sept. 12,
1908, out of the fund appropriated
for examination of Territorial ac-
counts, which the governor said was
for assisting Mr. Coles (since deceased)
in ferreting out the facts as
shown in a limited way by the terri-
torial books and which did not, the
governor told the committee, show
whether the public money had been
properly expended. Lawler did not
make a written report, the governor
said, but he was in communication
with the detective practically every
week, and he kept a private mem-
oranda of the facts so gained, the
sum total being information upon
which the state's future action was
based.

"On Sept. 30, 1908, there was paid
to Lawler \$190, and to an assistant
\$133. To what did this relate?" asked
Mr. Clark.

Not in Maris Charges.

"Those matters are not complained
of in the Maris charges," answered
the Governor. "I am prepared to tes-
tify as to the charges and if you
wish to make new charges, I will
testify as to them."

"Well, on Oct. 30, 1908, you paid
to Lawler \$582.35, out of the appro-
priation for examining Territorial ac-
counts. To what did that relate?"

"For services in seeking informa-
tion," replied the governor, "that
would show who had divided with
the Guthrie State Capital the sums
received upon excuses they were paid
for printing and stationery, the pur-
pose being to sue such persons to
whom money had been unlawfully

FIRE ALARM

ling a "Fire Alarm" be adopted, to

turning in the Alarm shall stay at

2. The operator shall then give
the address to the driver at the fire

the Alarm to the general Alarm, The

paid."

"Then the \$527.05 paid to Lawler
on Dec. 10, 1908; how about that?"

"For the same purpose," said the
governor.

"And the \$323.85, paid to Lawler on
Dec. 19, 1908?"

"Same purpose."
Mr. Clark asked if Lawler was an
accountant or an attorney in the ca-
pacity of his employment. The gover-
nor explained that it was work to
which either would be assigned in
getting at the bottom of the facts
upon which the books were not ex-
plicit.

"How about the \$731 paid to Law-
ler on March 23, 1909," queried Mr.
Clark.

Other Emergency Cases.

"It is for other emergency cases
and not like emergency cases," cor-
rected the governor.

Mr. Clark asked the governor if any
of his legal advisors had informed
him that the appropriation was lim-
ited and that reference to emergency
cases were subject to the same limi-
tation.

The governor said that they had
not informed him that any service
would not be covered when the gov-
ernor in his judgment thought it
necessary.

Returning to the employment of
Detective Lawler, Mr. Clark asked:
"In permitting Lawler to draw for
the time between Dec. 21, 1908, and
Jan. 31, 1909, \$212.15 for meals, in ad-
dition to \$809 for hotel, and \$14.15
for laundry, were you satisfied that
the expenses were legitimate and in-
curred with the contemplation of the
legislature?"

"Yes, when I hire a man and pay
his expenses that includes meals, car
fare, railroad fare, hotel, etc.," an-
swered the governor.

"Did you authorize him to take
with him a lady assistant at \$7 per
day and expenses," asked the attor-
ney.

"I do not know that he took a lady
assistant," replied Gov. Haskell. "I do
know they are sometimes employed,
as they often have a better oppor-
tunity to get at the facts, and judg-
ing from the result, whether he took
a lady assistant or not, I consider his
trip of benefit to the state."

"Did Lawler explain, or are you
able to explain," queried Mr. Clark,
"how one man from Dec. 21 to Jan.
31 could submit a reasonable bill of
\$421.15 for room and board."

"Yes; there is hardly a first-class
hotel in New York City where room
is furnished without meals that could
be obtained at less than \$5 per day,"
the governor explained. "And that
charge would be separate from the
cost of meals. The hotel district in
New York is so distant and remote
from the business section, where the
Standard Oil company has head-
quarters, that it is the invariable prac-
tice to take your meals in the busi-
ness district and be close."

CUMBLE AND ROLAND AT ROCKY.

Monday evening witnessed a debate that will be long remembered by the citizens residing in the vicinity of Rock Chapel. The socialists had reported it in different places that R. C. Roland had been so utterly whipped in his two previous encounters with J. T. Cumble, the socialist organizer, that he had left the trail entirely. If they really believed that such was the case, however, they were sadly undeceived, for about dark Monday, Mr. Roland, in company with the Democrat man, set sail to Rocky Chapel. We knew nothing of the road beyond Elm Flat, and less persevering men would have abandoned the chase and returned to Ada rather than wind around those fields and rocks. It was 9 o'clock when we reached the school house, and found a fair sized crowd assembled, and the socialist already speaking.

When the Democratic champion arrived, it was agreed that each should occupy an hour and ten minutes. Mr. Cumble opening with fifty minutes and closing with twenty. He made a characteristic socialist speech, scoring capitalism and the democratic party in general and Gov. Haskell and Senator Roddie in particular. He named many evils which should not exist, and which would not, when the government took charge of everything and every man should be virtually an employee or pensioner of that government.

Mr. Roland made a fine speech, full of old fashioned democracy, and put the question squarely to his opponent how he figured on bringing about the changes upon which he had declared the salvation of the nation depended. In his rejoinder, however, Mr. Cumble was as silent on that phase of the question as during his introductory speech. We are proud to say that Mr. Roland acquitted himself well, and we are pleased with him.—Byron Norrell, in his Democrat.

FOR COUNTY JUDGE.

The following announcement of Hon. Conway O. Barton, is from the Francis Wigwam of a recent issue:

We take pleasure this week in printing the announcement of Conway O. Barton for the important office of county judge.

Mr. Barton was born in Texas 52 years ago, and it is the ideal age to serve in a judicial capacity having the experience and wisdom which comes from many years of living and being at the full height of mental strength. His legal education was received at the University of Virginia, at which famous institution he was graduated thirty years ago.

Since being admitted to the bar he has practiced law with increasing success, and is acknowledged to be one of the best probate attorneys in Oklahoma. While he has specialized in this department to some extent, he has not done so at the expense of general practice, his ability in both civil and criminal cases being unquestioned.

Judge Barton has had experience on the bench, having been a judge in Texas. He has lived in Ada eight years and been honored with the responsible of mayor of that city. He has always been a democrat, and the kind that pulled off his coat and worked for the part, regardless of the effect upon himself.

The voters of Pontotoc county will make no mistake if by their ballots next August they place Judge Barton upon the democratic ticket for county judge.

POND CREEK MILL BURNED.
Pond Creek, Ok., Feb. 18.—Early Sunday morning Andrew O. Crist's mill in Pond Creek was discovered to be on fire, and within thirty minutes was reduced to complete ruin. The mill and its contents were worth about \$4,000. Mr. Crist carried \$2,000 insurance on the building and machinery and \$500 on the grain. Just at this time of the year there was not a great deal of grain in the mill, and the insurance on the stock pretty nearly covered that loss.

When Starting on That Winter Trip
Don't Forget Newbro's Herpicide
One of the Essentials
On your winter vacation you will most certainly want a bottle of Herpicide. This is doubly true if your trip contemplates a visit to a warmer climate. It is under conditions of warmth and humidity that the viciousness of the dandruff germ is particularly noticeable.
AS IMPORTANT AS HER TOOTH BRUSH
"I find Newbro's Herpicide very beneficial for dandruff. I would no more think of going on a journey without a bottle of Herpicide than I would without my tooth power. By using it often and thoroughly I find I do not require a shampoo as frequently and my hair is much nicer."
Middlebury, Vt. Mrs. M. J. Wiltse.
AN OPINION FROM THE WORLD'S GREATEST LADY RIFLE SHOT
"Traveling as I do—almost continuously, I have been troubled a great deal with dandruff and falling hair and until I tried Herpicide I never found a remedy that was satisfactory.
Herpicide is a delightful preparation and fulfills the claims you make for it and no lady's toilet is complete without it.
I heartily recommend it to my friends."
Nutley, N. J. Annie Oakley.
The germ is always busy. There is no escape except in the use at regular intervals of Newbro's Herpicide. Herpicide carries sure and certain death to this germ and is the one really reliable remedy.
An imitation or something just as good won't do. Insist on having genuine Herpicide.

MEMBERS OF MOB SHOT

CAIRO, ILL., WHITES AFTER NEGRO FIRED UPON BY THE SHERIFF.

WILL FIGHT TO A FINISH

Official Sends Word to Members of Mob That He Will Protect Prisoners Who Are Wanted for Purse Snatching.

Cairo, Ill., Feb. 18.—In a pitched battle at midnight between a mob that seeks to lynch a negro charged with purse-snatching and five deputy sheriffs, who are guarding the jail, several members of the mob were shot down in an attempt to rush the jail. The number of injured is unknown, the estimates varying between two and 11.

The mob was still gathered about the jail at 2 o'clock this morning and is constantly increasing in size. Sheriff Nellis has entrenched his force of deputies behind shuttered windows and has sent out word to the mob that he will fight to a finish to protect his prisoners.

Mob in Frenzy.

The mob has worked itself into a frenzy and another rush on the jail is expected at any minute.

The local militia company, company K, was ordered out at 10 o'clock by Governor Deneen, but the authorities have been unable to find the company's officers to order out the men.

Sheriff Nellis has appealed to Gov. Deneen for more soldiers and additional companies are expected in before morning.

Three Blacks in Jail.

There are three negroes in the jail. One of them, John Pratt, was arrested Wednesday afternoon on a charge of snatching purses, from women, and later confessed. He was immediately indicted by the grand jury and it is believed the mob is after him.

The mob began forming shortly after dark and as soon as the talk of lynching reached Sheriff Nellis he appealed to Governor Deneen for troops and swore in 20 deputies.

A crowd gathered about the jail about 9 o'clock but no attempt to rush the structure was made until shortly before midnight.

Nellis made good his promise to shoot and several in the mob went down at the first volley.

Following the volley the mob withdrew to a safe distance and began firing into the jail, but injured nobody. The injured were carried away by friends and the extent of their injuries as well as their identity was concealed.

Governor Gets Message.

Springfield, Ill., Feb. 17.—Governor Deneen late Thursday night received a telephone message from Sheriff Nellis of Alexander county, asking that a company of troops be ordered out to assist him in preserving order in Cairo, where there was fears of a riot.

Governor Deneen ordered Company K of the Tenth infantry, at Cairo, to place itself at the disposal of Sheriff Nellis, who stated that he had sworn in five deputies.

Sheriff Nellis informed Governor Deneen that Wednesday two colored boys had been snatching purses on the streets of Cairo and that two women had been robbed, one of whom was a relative of Annie Peley, the girl who was recently assaulted and murdered, and whose murder caused the lynching of William James, a negro.

FORGERY CHARGE AGAINST WOMAN

MRS. O. M. PARSONS ARRESTED
YESTERDAY.

Lives at Henryetta—Complaint Filed by Texas Department Store—Second Offense.

Mrs. O. M. Parson of Henryetta was arrested at Holdenville yesterday and brought to Ada on a charge of forgery. She waived a preliminary trial and on default of a bond of \$500 was committed to jail.

The complaint against Mrs. Parsons was made by the Texas Department store, this store having cashed a check of \$75 for her on September 1, last year. The check was on the First National bank of Fort Smith, Ark., and was signed "H. C. King, M. D."

Not Her First Offense.

This is not the first forgery she has committed. While in the city last September she was arrested for the same offense. This time she made bond and the case is now pending in the district court.

Nothing is known of the woman other than above stated, except she is said to be pretty and young.

OKLAHOMA FIRES.

Wynnewood, Ok., Feb. 18.—The mercantile establishment of Moore & Rollow, one of the largest firms in the city, was almost wiped out Tuesday night by fire. Cause of the fire unknown. Loss will run into the thousands, partially covered by insurance. The wind was blowing a terrific gale from the north and it was with a mighty effort that the fire company saved the entire business section from Main street south.

Frederick, Ok., Feb. 18.—The plant of the Simmons Gin Company has been entirely destroyed by fire at Tipton. The loss will reach about \$10,000.

BOY THROWN FROM HORSE.

Lenora, Ok., Feb. 18.—Lee, the youngest son of W. H. Williams, was thrown from a horse yesterday and severely injured. He was riding a young horse and had opened a gate for his father, who had driven through with a carriage. As he was remounting, the horse became frightened and threw the boy to the ground, one of the horse's hoofs striking his head.

WHISKEY IS WHISKEY—TAFT

Whether It's Blended or Straight, Its Whiskey, Decides the President.

Washington, Feb. 18.—President Taft's decision in the liquor controversy that "whiskey is whiskey" whether it be blended or straight, has been formulated in a set of regulations prepared by the board of food and drugs inspection of the department of agriculture. The regulations were completed late today and appeared, as required by Secretary Wilson, of the department of agriculture; Secretary MacVeagh, of the treasury; and Secretary Nagel, of the department of commerce and labor.

In brief, the regulations declare that all unmixed spirits, distilled from grain, prepared in the customary way, are entitled to the name "whiskey," without qualification. Blended whiskey must be labeled as such.

The term "whiskey" however, is restricted to distillates from grain, and under the regulations, distillates from other substances, labeled "whiskey," are misbranded and the person guilty of misbranding may be prosecuted.

POSTAL SAVINGS BANK PLAN.

Here's what the proposed postal

 Paying every postmaster in the

 competition between themselves?"

GRAFT—YES—GRAB!

Governor Harmon of Ohio is hav-
 ing a hard time. Just about every
 time he turns around he stumbles
 onto evidence of graft—graft grafted
 under republican administration. The
 governor has been investigating and
 he's still investigating. And from the
 looks of the situation he will con-
 tinue to investigate to some time.
 He has started suits to recover hun-
 dreds of dollars stolen by state of-
 ficials before him.

While the Ohio governor is busy
 in an attempt to dig up the people's
 money the governor of Colorado is
 uncovering bad facts and figures re-
 garding public institutions while the
 republicans were in power in that
 state.

New York is getting its share too.
 The republican senate leader is the
 subject of an investigation accused
 of accepting bribes. Dead men's
 names are being brought into the
 scandal.

Republicans tried to steal the state
 capitol of Pennsylvania—did steal
 about all that came into it. They are

 sions of Byron Norrell of the Demo-

At the meeting of the Democratic
 State Committee last week Otis B
 Weaver was appointed as one of the

 render valuable service to the cause
 of democracy during the coming cam-

 rendered valuable assistance in times
 past. The question of permanent

OKLAHOMA DEATHS.

Durant Ok Feb 18—A fatal ac-
 cident occurred yesterday at the Mis-
 souri Kansas and Texas crossing on
 Main street Mrs. Nannie Mitchell of
 Shawnee Ok who has been visiting
 her brother J. H. Newman of this
 place was crossing the track on her
 way to the depot preparatory to re-
 turning home on the Flyer. While
 passing between two freight cars she
 was seriously crushed when they
 were shoved together. Her hips and
 body were badly mashed and serious
 internal injuries were inflicted from
 which she died last night

Lenora Ok Feb 18—Word was
 brought from Delus that the 4 year-
 old daughter of Mort Haines was so
 badly burned on Thursday last that
 she had died. There were two chil-
 dren alone in the house and her
 clothing became ignited from the
 stove. The little brother carried his
 sister out of the house but before as-
 sistance arrived she was so badly
 burned that nothing could be done to
 save her

Guthrie Ok Feb 18—James W
 Vaible aged 34 died here last night.
 He was born in Liberty Mo. and liv-
 ed there until nine years ago. He was

 eral Supervisor for this district. He
 had been connected with the Guthrie

 ber of years. His widow and two sons

A BOUQUET FOR RATLIFF.

E. S. Ratliff is from the 'State of
 Pontotoc' and is often confused with
 J. M. Ratliff of Mansville and E. N.
 Ratliff of Vinita, the names being so
 much alike. If Ada people take the
 measure of their representative with-
 out bias, he is a man who gives a
 great lot of service and makes very
 little noise about it and that reputa-
 tion down at home is rather well
 borne out here in the capital city
 since Ratliff has been with us as a

GRANTED A PAROLE.

Guthrie Ok, Feb 18—Gov. C. N.
 Haskell today granted a parole to
 William Anderson, who was convict-
 ed in 1905 in Comanche county and
 sentenced to serve eight years in the
 penitentiary for manslaughter in the
 first degree and was convicted of
 killing W. G. Barnhill, a Union sol-
 dier and former resident of Guthrie
 on Sept. 23, 1904. The men were
 neighbors, but quarreled and Ander-
 son shot Barnhill with a Winchester
 rifle. He has served five years

GOVERNOR BEFORE THE COMMITTEE

GIVES HIS TESTIMONY IN INVESTIGATION.

Tell of Employment of Detective Lawler and Correspondent Flenner.

Guthrie, Ok, Feb 18—Gov. C. N.
 Haskell was a witness before the
 house committee on investigation
 Thursday, and gave testimony con-
 cerning expenditure of appropriation
 made by the legislature for his of-
 fice and to be disbursed under his
 direction. The committee was unable
 to obtain Detective Lawler of Okla-
 homa City, who has been ill but the
 governor was closely questioned by
 Representative Clark, attorney for
 the complainant as to Lawler's em-
 ployment

Mr. Clark immediately took up the
 employment of Detective Lawler and
 his payment out of funds appropri-
 ated by the Legislature for use in
 connection with the governor's office.
 The governor agreed that the detec-
 tive had been hired on dates as
 shown in the Maris charges but that
 such employment had been verbally
 made and without notice of same in
 writing

Did he ever make a written re-
 port to you? asked Mr. Clark

"He may have done so answered
 the governor, but it is not likely.
 Communications on the service for
 which he was employed are very
 dangerous. If it is by telephone you
 do not know who is tapping the
 wire. If by telegraph, you can not
 tell who is standing in with the
 operator and getting copies of your
 messages and if by mail, you can
 not tell who is getting hold of your
 letters and the character of service
 Lawler was rendering would have
 been worthless if the opposition got
 hold of the information therefore it
 is the policy of the state as well
 as the National government to
 guard such matters with all the de-
 gree of secrecy possible. I also re-
 ceived reports from him that were
 not verbal

Are they of such a character as
 would be consistent with the pub-
 lic welfare asked Mr. Clark to
 submit them here as a part of the
 records?

Mr. Clark asked as to \$300 paid
 to Lawler on claim dated Sept. 12
 1908 out of the fund appropriated
 for examination of Territorial ac-
 counts which the governor said was
 for assisting Mr. Coles (since decess-
 ed) in ferreting out the facts as
 shown in a limited way by the ter-
 ritorial books and which did not
 the governor told the committee show
 whether the public money had been
 properly expended. Lawler did not
 make a written report the governor
 said but he was in communication
 with the detective practically every
 week and he kept a private memor-
 andum of the facts so gaped the
 sum total being information upon
 which the state's future action was
 based

On Sept. 30 1908 there was paid
 to Lawler \$150 and to an assistant
 \$133. To what did this relate? ask-
 ed Mr. Clark

Not in Maris Charges.

Those matters are not complained
 of in the Maris charges answered
 the Governor. I am prepared to tes-
 tify as to the charges and if you
 wish to make new charges I will
 testify as to them

Well on Oct. 30 1908 you paid
 to Lawler \$582.35 out of the approp-
 riation for examining Territorial ac-
 counts. To what did that relate?

For services in seeking informa-
 tion replied the governor that
 would show who had divided with
 the Guthrie State Capital the sums
 received upon excuses they were paid
 for printing and stationery the pur-
 pose being to sue such persons to
 whom money had been unlawfully

FIRE ALARM

It is understood by all concerned
 that a more uniform system of hand-
 ling a "Fire Alarm" be adopted, to
 be as follows

1. The Alarm shall be given to
 the Central operator, giving the Ward
 and nearest street crossing. The party
 turning in the alarm shall stay at
 telephone until they receive the O. K.
 from the operator

2. The operator shall then give
 the address to the driver at the fire
 station

3. The operator shall then turn
 the Alarm to the general Alarm, The
 Whistle The Engineer shall (1s.)
 give triek whistle followed by—

First Ward	One Blast
Second Ward	Two Blasts
Third Ward	Three Blasts
Fourth Ward	Four Blasts
Main Street	Five Blasts

Central can not give correct ad-
 dress unless it is given to them
 correct. Any one calling for Fire
 Station shall call "159 No Fire."
 HARRY PARKS, Chief

"Then the \$527.05 paid to Lawler
 on Dec. 10, 1908, how about that?"
 "For the same purpose," said the
 governor.
 "And the \$323.85, paid to Lawler on
 Dec. 19, 1908?"
 "Same purpose"
 Mr. Clark asked if Lawler was an
 accountant or an attorney in the ca-
 pacity of his employment. The gover-
 nor explained that it was work to
 which either would be assigned in
 getting at the bottom of the facts
 upon which the books were not ex-
 plicit

How about the \$731 paid to Law-
 ler on March 23, 1909 queried Mr.
 Clark

Other Emergency Cases.
 It is for other emergency cases
 and not like emergency cases cor-
 rected the governor

Mr. Clark asked the governor if any
 of his legal advisors had informed
 him that the appropriation was lim-
 ited and that reference to emergency
 cases were subject to the same limi-
 tation

The governor said that they had
 not informed him that any service
 would not be covered when the gov-
 ernor in his judgment thought it
 necessary

Returning to the employment of
 Detective Lawler Mr. Clark asked
 in permitting Lawler to draw for
 the time between Dec. 21 1908 and
 Jan. 31 1909 \$212.15 for meals, in ad-
 dition to \$309 for hotel and \$14.15
 for laundry were you satisfied that
 the expenses were legitimate and in-
 curred with the contemplation of the
 legislature?

"Yes when I hire a man and pay
 his expenses that includes meals car
 fare railroad fare hotel etc. an-
 swered the governor
 Did you authorize him to take
 with him a lady assistant at \$7 per
 day and expenses asked the attor-
 ney

I do not know that he took a lady
 assistant replied Gov. Haskell. I do
 know they are sometimes employed
 as they often have a better oppor-
 tunity to get at the facts and judg-
 ing from the result whether he took
 a lady assistant or not I consider his
 trip of benefit to the state

Did Lawler explain or are you
 able to explain queried Mr. Clark
 how one man from Dec. 21 to Jan.
 31 could submit a reasonable bill of
 \$421.15 for room and board

Yes there is hardly a first-class
 hotel in New York City where room
 is furnished without meals that could
 be obtained at less than \$5 per day
 the governor explained. And that
 charge would be separate from the
 cost of meals. The hotel district in
 New York is so distant and remote
 from the business section where the
 Standard Oil company has head-
 quarters that it is the invariable prac-
 tice to take your meals in the busi-
 ness district and be close

North and East Side Schools Will Render Appropriate Programs 22nd.

A short program will be rendered at the East and North schools on the 22nd in commemoration of Washington's birthday. At this time the pupils will formally raise a beautiful flag over their respective buildings. These flags were purchased by the pupils of the schools and they are justly very proud of them. While the teachers had rather have the people visit the schools when doing actual work, everybody is cordially invited to attend these exercises which will be delivered in front of the buildings if the weather is favorable.

CUMBLE AND ROLAND AT ROCKY.

Monday evening witnessed a debate that will be long remembered by the citizens residing in the vicinity of Rocky Chapel. The socialists had reported it in different places that R. C. Roland had been so utterly whipped in his two previous encounters with J. T. Cumble, the socialist organizer, that he had left the trail entirely. If they really believed that such was the case, however, they were sadly undeceived, for about dark Monday, Mr. Roland, in company with the Democrat man, set sail to Rocky Chapel. We knew nothing of the road beyond Elm Flat, and less persevering men would have abandoned the chase and returned to Ada rather than wind around those fields and rocks. It was 9 o'clock when we reached the school house, and found a fair sized crowd assembled, and the socialist already speaking.

When the Democratic champion arrived, it was agreed that each should occupy an hour and ten minutes. Mr. Cumble opening with fifty minutes and closing with twenty. He made a characteristic socialist speech, scoring capitalism and the democratic party in general and Gov. Haskell and Senator Roddie in particular. He named many evils which should not exist, and which would not, when the government took charge of everything and every man should be virtually an employee or pensioner of that government.

Mr. Roland made a fine speech, full of old fashioned democracy, and put the question squarely to his opponent how he figured on bringing about the changes upon which he had declared the salvation of the nation depended. In his rejoinder, however, Mr. Cumble was as silent on that phase of the question as during his introductory speech. We are proud to say that Mr. Roland acquitted himself well, and we are pleased with him.—Byron Norrell, in his Democrat.

FOR COUNTY JUDGE.

The following announcement of Hon. Conway O. Barton, is from the Francis Wigwam of a recent issue:

We take pleasure this week in printing the announcement of Conway O. Barton for the important office of county judge.

Mr. Barton was born in Texas 52 years ago, and it is the ideal age to serve in a judicial capacity having the experience and wisdom which comes from many years of living and being at the full height of mental strength. His legal education was received at the University of Virginia, at which famous institution he was graduated thirty years ago.

Since being admitted to the bar he has practiced law with increasing success, and is acknowledged to be one of the best probate attorneys in Oklahoma. While he has specialized in this department to some extent, he has not done so at the expense of general practice. His ability in both civil and criminal cases being unquestioned.

Judge Barton has had experience on the bench, having been a judge in Texas. He has lived in Ada eight years and been honored with the responsible of mayor of that city. He has always been a democrat, and the kind that pulled off his coat and worked for the part, regardless of the effect upon himself.

The voters of Pontotoc county will make no mistake if by their ballots next August they place Judge Barton upon the democratic ticket for county judge.

POND-CREEK MILL BURNED.
Pond Creek, Ok., Feb. 13.—Early Sunday morning Andrew O. Crist's mill in Pond Creek was discovered to be on fire, and within thirty minutes was reduced to complete ruin. The mill and its contents were worth about \$4,000. Mr. Crist carried \$2,000 insurance on the building and machinery and \$500 on the grain. Just at this time of the year there was not a great deal of grain in the mill, and the insurance on the stock pretty nearly covered that loss.

When Starting on That Winter Trip

Don't Forget Newbro's Herpicide

One of the Essentials

On your winter vacation you will most certainly want a bottle of Herpicide. This is doubly true if your trip contemplates a visit to a warmer climate. It is under conditions of warmth and humidity that the viciousness of the dandruff germ is particularly noticeable.

AS IMPORTANT AS HER TOOTH BRUSH
"I find Newbro's Herpicide very beneficial for dandruff. I would no more think of going on a journey without a bottle of Herpicide than I would without my tooth powder. By using it often and thoroughly I find I do not require a shampoo as frequently and my hair is much nicer."
Middlebury, Vt. Mrs. M. J. Wiltse.

AN OPINION FROM THE WORLD'S GREATEST LADY RIFLE SHOT
"Traveling as I do—almost continuously, I have been troubled a great deal with dandruff and falling hair and until I tried Herpicide I never found a remedy that was satisfactory.
Herpicide is a delightful preparation and fulfills the claims you make for it and no lady's toilet is complete without it.
I heartily recommend it to my friends."
Nutley, N. J. Annie Oakley.

The germ is always busy. There is no escape except in the use at regular intervals of Newbro's Herpicide. Herpicide carries care and certain death to this germ and is the one really reliable remedy.
An imitation or something just as good won't do. Insist on having genuine Herpicide.

MEMBERS OF MOB SHOT

CAIRO, ILL., WHITES AFTER NEGRO FIRED UPON BY THE SHERIFF.

WILL FIGHT TO A FINISH

Official Sends Word to Members of Mob That He Will Protect Prisoners Who Are Wanted for Purse Snatching.

Cairo, Ill., Feb. 18.—In a pitched battle at midnight between a mob that seeks to lynch a negro charged with purse-snatching and five deputy sheriffs, who are guarding the jail, several members of the mob were shot down in an attempt to rush the jail. The number of injured is unknown, the estimates varying between two and 11.

The mob was still gathered about the jail at 2 o'clock this morning and is constantly increasing in size. Sheriff Nellis has entrenched his force of deputies behind shuttered windows and has sent out word to the mob that he will fight to a finish to protect his prisoners.

Mob in Frenzy.
The mob has worked itself into a frenzy and another rush on the jail is expected at any minute.

The local militia company, company K, was ordered out at 10 o'clock by Governor Deneen, but the authorities have been unable to find the company's officers to order out the men.

Sheriff Nellis has appealed to Gov. Deneen for more soldiers and additional companies are expected in before morning.

Three Blacks in Jail.
There are three negroes in the jail. One of them, John Pratt, was arrested Wednesday afternoon on a charge of snatching purses, from women, and later confessed. He was immediately indicted by the grand jury and it is believed the mob is after him.

The mob began forming shortly after dark and as soon as the talk of lynching reached Sheriff Nellis he appealed to Governor Deneen for troops and swore in 20 deputies.

A crowd gathered about the jail about 9 o'clock but no attempt to rush the structure was made until shortly before midnight.

Nellis made good his promise to shoot and several in the mob went down at the first volley.

Following the volley the mob withdrew to a safe distance and began firing into the jail, but injured nobody.

The injured were carried away by friends and the extent of their injuries as well as their identity was concealed.

Governor Gets Message.
Springfield, Ill., Feb. 17.—Governor Deneen late Thursday night received a telephone message from Sheriff Nellis of Alexander county, asking that a company of troops be ordered out to assist him in preserving order in Cairo, where there was fears of a riot.

Governor Deneen ordered Company K of the Tenth Infantry, at Cairo, to place itself at the disposal of Sheriff Nellis, who stated that he had sworn in five deputies.

Sheriff Nellis informed Governor Deneen that Wednesday two colored boys had been snatching purses on the streets of Cairo and that two women had been robbed, one of whom was a relative of Annie Peelle, the girl who was recently assaulted and murdered, and whose murder caused the lynching of William James, a negro.

OIL, GAS AND COAL.
Comanche, Ok., Feb. 18.—George Reed of Forest City, Mo., is here with his deep well drilling outfit, and a well will be put down 2,500 feet if necessary to test the hidden riches in old mother earth in the near vicinity of Comanche.

HOUSE IS BURNED.
Tablequah, Ok., Feb. 18.—The residence of Herbert Smith has burned, with a large part of the contents. The fire started in the top of the house by a defective fuse. The building was worth \$1,000 and carried \$1,000 insurance. The contents had an additional \$500 insurance.

You don't often have such a chance

This special season's clearing sale is such an opportunity as you seldom have for supplying yourself with good clothes at less than they're worth. If we get you acquainted with our excellent merchandise in this way; demonstrate the merits of our Hart Schaffner & Marx clothes to you, we'll make more in good-will than we lose in the prices. We can afford to make a little investment in your good-will, at the expense of profits.

A Hart, Schaffner & Marx Special Sale

The fact is such clothes as Hart Schaffner & Marx make are seldom sold at less than the full price. But we buy more clothes than just enough; we can't tell in advance what we're going to want; we want to have more, anyway. And here they are.

FORGERY CHARGE AGAINST WOMAN

MRS. O. M. PARSONS ARRESTED YESTERDAY.

Lives at Henryetta—Complaint Filed by Texas Department Store—Second Offense.

Mrs. O. M. Parsons of Henryetta was arrested at Holdenville yesterday and brought to Ada on a charge of forgery. She waived a preliminary trial and on default of a bond of \$500 was committed to jail.

The complaint against Mrs. Parsons was made by the Texas Department store, this store having cashed a check of \$75 for her on September 1, last year. The check was on the First National bank of Fort Smith, Ark., and was signed "H. C. King, M. D."

Not Her First Offense.

This is not the first forgery she has committed. While in the city last September she was arrested for the same offense. This time she made bond and the case is now pending in the district court.

Nothing is known of the woman other than above stated, except she is said to be pretty and young.

OKLAHOMA FIRES.

Wynnewood, Ok., Feb. 18.—The mercantile establishment of Moore & Rollow, one of the largest firms in the city, was almost wiped out Tuesday night by fire. Cause of the fire unknown. Loss will run into the thousands, partially covered by insurance. The wind was blowing a terrific gale from the north and it was with a mighty effort that the fire company saved the entire business section from Main street south.

Frederick, Ok., Feb. 18.—The plant of the Simmons Gin Company has been entirely destroyed by fire at Tipton. The loss will reach about \$10,000.

BOY THROWN FROM HORSE.

Lenora, Ok., Feb. 18.—Lee, the youngest son of W. H. Williams, was thrown from a horse yesterday and severely injured. He was riding a young horse and had opened a gate for his father, who had driven through with a carriage. As he was remounting, the horse became frightened and threw the boy to the ground, one of the horse's hoofs striking his head.

WHISKEY IS WHISKEY—TAFT

Whether It's Blended or Straight, Its Whiskey, Decides the President.

Washington, Feb. 18.—President Taft's decision in the liquor controversy that "whiskey is whiskey" whether it be blended or straight, has been formulated in a set of regulations prepared by the board of food and drugs inspection of the department of agriculture. The regulations were completed late today and appeared, as required by Secretary Wilson, of the department of agriculture; Secretary MacVeagh, of the treasury; and Secretary Nagel, of the department of commerce and labor.

In brief, the regulations declare that all unmixed spirits, distilled from grain, prepared in the customary way, are entitled to the name "whiskey," without qualification. Blended whiskey must be labeled as such.

The term "whiskey" however, is restricted to distillates from grain, and under the regulations, distillates from other substances, labeled "whiskey," are misbranded and the person guilty of misbranding may be prosecuted.

POSTAL SAVINGS BANK PLAN.

Here's what the proposed postal
 savings bank contemplates
 Paying every postmaster in the
 United States one-fourth of one per-
 cent on deposits through every post-
 office in the country. This is to be
 the postmasters' fee for doing the
 business.
 There are some 60,000 postoffices in
 the United States. Now how do the
 banks feel about competing with 60-
 000 postmasters in addition to the
 competition between themselves?

GRAFT—YES—GRAIT.

Governor Harmon of Ohio is hav-
 ing a hard time. Just about every
 time he turns around he stumbles
 onto evidence of graft—graft grafted
 under republican administration. The
 governor has been investigating and
 he's still investigating. And from the
 looks of the situation he will con-
 tinue to investigate for some time.
 He has started suits to recover hun-
 dreds of dollars stolen by state of-
 ficers before him.
 While the Ohio governor is busy
 in an attempt to dig up the people's
 money the governor of Colorado is
 uncovering bad facts and figures re-
 garding public institutions while the
 republicans were in power in that
 state.
 New York is getting its share too.
 The republican senate leader is the
 subject of an investigation accused
 of accepting bribes. Dead men's
 names are being brought into the
 scandal.
 Republicans tried to steal the state
 capitol of Pennsylvania—did steal
 about all that came into it. They are

 Illinois is wrought up over the
 waterway plot, which graft the re-
 publicans have been working for
 some time.
 The sugar scandal at Washington—
 only \$30,000,000 was stolen says the
 New York Sun—and no one has
 been punished. Repeated charges of
 graft have been hurled at the navy
 none has been denied.
 Behind all this is the Panama
 canal mystery.
 Graft is apparent in many places
 under republican governments.
 The hope of getting matters
 straight is by electing a democratic
 congress. That is the only thing re-
 publicans fear. And that is what is
 keeping the republicans on edge at
 Washington.

KIND TO BUSINESS COMPETITOR

Is Hon. Byron Norrell of the Dem-
 ocrat.
 Otis Weaver of the News sincere-
 ly appreciates the following expres-
 sions of Byron Norrell of the Dem-
 ocrat clipped from a late issue of his
 militant democratic press.
 At the meeting of the Democratic
 State Committee last week Otis B.
 Weaver was appointed as one of the
 members of the State Campaign
 Committee. We predict that he will
 render valuable service to the cause
 of democracy during the coming cam-
 paign for he has always been an ar-
 dent champion of the party and has
 rendered valuable assistance in times
 past. The question of permanent
 chairman was left open for the pres-
 ent, Mr. Tillotson being appointed
 temporary chairman.

OKLAHOMA DEATHS.

Durant Ok Feb 18—A fatal ac-
 cident occurred yesterday at the Mis-
 souri Kansas and Texas crossing on
 Main street Mrs. Nannie Mitchell of
 Shawnee Ok. who has been visiting
 her brother J. H. Newman of this
 place was crossing the track on her
 way to the depot preparatory to re-
 turning home on the Flyer. While
 passing between two freight cars she
 was seriously crushed when they
 were shoved together. Her hips and
 body were badly mashed and serious
 internal injuries were inflicted from
 which she died last night.

Lenora Ok Feb 18—Word was
 brought from Delta that the 4-year-
 old daughter of Mort Haines was so-
 badly burned on Thursday last that
 she had died. There were two chil-
 dren alone in the house and her
 clothing became ignited from the
 stove. The little brother carried his
 sister out of the house but before as-
 sistance arrived she was so badly
 burned that nothing could be done to
 save her.

Guthrie Ok Feb 18—James W.
 Venable aged 34 died here last night.
 He was born in Liberty Mo. and liv-
 ed there until nine years ago. He was
 a brother in law of Ben Burke. Cen-
 sus Supervisor for this district. He
 had been connected with the Guthrie
 Street Railway Company for a num-
 ber of years. His widow and two sons
 survive him.

Enid Ok Feb 18—H. W. Bonner
 a plumber employed by the Oklahoma
 Plumbing company while return-
 ing home late Monday night ac-
 cidentally fell into a storm sewer a
 distance of twenty six feet where he
 lay until morning before being dis-
 covered. Bonner died at University
 hospital this morning from his injur-
 ies.

Guthrie Ok Feb 18—Mrs. C. R.
 Buckner whose husband died here
 two weeks ago, died last night and
 the remains were taken today to
 Fayetteville Ark. for burial. They
 were formerly prominent at Fayette-
 ville where her father was a mem-
 ber of the supreme court for many
 years.

A BOUQUET FOR RATLIFF.

E. S. Ratliff is from the State of
 Pontotoc and is often confused with
 J. M. Ratliff of Mansville and E. N.
 Ratliff of Vinita, the names being so
 much alike. If Ada people take the
 measure of their representative with-
 out bias, he is a man who gives a
 great lot of service and makes very
 little noise about it and that reputa-
 tion down at home is rather well
 borne out here in the capital city
 since Ratliff has been with us as a
 legislator—Guthrie Leader.

GRANTED A PAROLE.

Guthrie Ok, Feb 18—Gov. C. N.
 Haskell today granted a parole to
 William Anderson, who was convict-
 ed in 1905 in Comanche county and
 sentenced to serve eight years in the
 penitentiary for manslaughter in the
 first degree and was convicted of
 killing W. G. Barnhill, a Union sol-
 dier and former resident of Guthrie.
 On Sept. 23, 1904 the men were
 neighbors, but quarreled and Ander-
 son shot Barnhill with a Winchester
 rifle. He has served five years.

GOVERNOR BEFORE THE COMMITTEE

GIVES HIS TESTIMONY IN INVESTIGATION.

Tell of Employment of Detective Lawler and Correspondent Flenner.

Guthrie, Ok, Feb 18—Gov. C. N.
 Haskell was a witness before the
 house committee on investigation
 Thursday, and gave testimony con-
 cerning expenditure of appropriation
 made by the legislature for his of-
 fice and to be disbursed under his
 direction. The committee was unable
 to obtain Detective Lawler of Okla-
 homa City, who has been ill but the
 governor was closely questioned by
 Representative Clark, attorney for
 the complainant as to Lawler's em-
 ployment.
 Mr. Clark immediately took up the
 employment of Detective Lawler and
 his payment out of funds appropri-
 ated by the legislature for use in
 connection with the governor's office.
 The governor agreed that the detec-
 tive had been hired on dates as
 shown in the Maris charges but that
 such employment had been verbally
 made and without notice of same in
 writing.
 Did he ever make a written re-
 port to you? asked Mr. Clark.
 He may have done so answered
 the governor, but it is not likely.
 Communications on the service for
 which he was employed are very
 dangerous. If it is by telephone you
 do not know who is tapping the
 wire. If by telegraph, you can not
 tell who is standing in with the
 operator and getting copies of your
 messages and if by mail, you can
 not tell who is getting hold of your
 letters and the character of service
 Lawler was rendering would have
 been worthless if the opposition got
 hold of the information therefore it
 is the policy of the state as well
 as the National government to
 guard such matters with all the de-
 gree of secrecy possible. Also re-
 ceived reports from him that were
 not verbal.
 Are they of such a character as
 would be consistent with the pub-
 lic welfare asked Mr. Clark to
 submit them here as a part of the
 records?
 Mr. Clark asked as to \$300 paid
 to Lawler on claim dated Sept. 12
 1908 out of the fund appropriated
 for examination of Territorial ac-
 counts which the governor said was
 for assisting Mr. Coles (since decess-
 ed) in ferreting out the facts as
 shown in a limited way by the ter-
 ritorial books and which did not
 the governor told the committee show
 whether the public money had been
 properly expended. Lawler did not
 make a written report the governor
 said but he was in communication
 with the detective practically every
 week and he kept a private memor-
 andum of the facts so gauged the
 sum total being information upon
 which the state's future action was
 based.

On Sept. 30 1908 there was paid
 to Lawler \$190 and to an assistant
 \$133. To what did this relate? ask-
 ed Mr. Clark.
 Not in Maris Charges.

Those matters are not complained
 of in the Maris charges answered
 the Governor. I am prepared to tes-
 tify as to the charges and if you
 wish to make new charges I will
 testify as to them.
 Well on Oct. 30 1908 you paid
 to Lawler \$582.35 out of the appro-
 priation for examining Territorial ac-
 counts. To what did that relate?
 For services in seeking informa-
 tion replied the governor that
 would show who had divided with
 the Guthrie State Capital the sums
 received upon excuses they were paid
 for printing and stationery the pur-
 pose being to sue such persons to
 whom money had been unlawfully

BANKERS TO MEET.

Guthrie Ok Feb 18—A meeting
 of group of the Oklahoma State
 Bankers' Association will be held in
 Oklahoma City at the Lee-Huckins
 hotel on March 10 at which will
 be present about 200 bankers. J. M.
 Holcomb of Oklahoma City will make
 the address of welcome and J. W.

 principal speaker of the occasion his
 topic being The Old United States
 Banks.

 cepted a position of cashier of the

 past eight years he has been cas-
 hie of the First National W. G. Cul-
 breth, formerly a bookkeeper in the

FIRE ALARM

It is understood by all concerned
 that a more uniform system of hand-
 ling a "Fire Alarm" be adopted, to
 be as follows:
 1. The Alarm shall be given to
 the Central operator, giving the Ward
 and nearest street crossing. The party
 turning in the Alarm shall stay at
 telephone until they receive the O. K.
 from the opera or
 2. The operator shall then give
 the address to the driver at the fire
 station.
 3. The operator shall then turn
 the Alarm to the general Alarm, The
 Whistle The Engineer shall (1s.)
 give friek whistle followed by—
 First Ward One Blast
 Second Ward Two Blasts
 Third Ward Three Blasts
 Fourth Ward Four Blasts
 Main Street Five Blasts
 Central can not give correct ad-
 dress unless it is given to them
 correct. Any one calling for Fire
 Station shall call "159 No Fire."
 HARRY PARKS, Chief.

"Then the \$527.05 paid to Lawler
 on Dec. 10, 1908, how about that?"
 "For the same purpose," said the
 governor.
 "And the \$323.85, paid to Lawler on
 Dec. 19, 1908?"
 "Same purpose."
 Mr. Clark asked if Lawler was an
 accountant or an attorney in the ca-
 pacity of his employment. The gover-
 nor explained that it was work to
 which either would be assigned in
 getting at the bottom of the facts
 upon which the books were not ex-
 plicit.
 How about the \$731 paid to Law-
 ler on March 23, 1909 queried Mr.
 Clark.

Other Emergency Cases.

It is for other emergency cases
 and not like emergency cases cor-
 rected the governor.
 Mr. Clark asked the governor if any
 of his legal advisors had informed
 him that the appropriation was lim-
 ited and that reference to emergency
 cases were subject to the same limita-
 tion.
 The governor said that they had
 not informed him that any service
 would not be covered when the gov-
 ernor in his judgment thought it
 necessary.

Returning to the employment of
 Detective Lawler Mr. Clark asked
 in permitting Lawler to draw for
 the time between Dec. 21 1908 and
 Jan. 31 1909 \$212.15 for meals, in ad-
 dition to \$309 for hotel and \$14.15
 for laundry were you satisfied that
 the expenses were legitimate and in-
 curred with the contemplation of the
 legislature?
 Yes when I hire a man and pay
 his expenses that includes meals car-
 fare railroad fare hotel etc an-
 swered the governor.
 Did you authorize him to take
 with him a lady assistant at \$7 per
 day and expenses asked the attor-
 ney.
 I do not know that he took a lady
 assistant replied Gov. Haskell. I do
 know they are sometimes employed
 as they often have a better oppor-
 tunity to get at the facts and judg-
 ing from the result whether he took
 a lady assistant or not I consider his
 trip of benefit to the state.

Did Lawler explain or are you
 able to explain queried Mr. Clark.
 how one man from Dec. 21 to Jan.
 31 could submit a reasonable bill of
 \$421.15 for room and board.
 Yes there is hardly a first-class
 hotel in New York City where room
 is furnished without meals that could
 be obtained at less than \$5 per day.
 the governor explained. And that
 charge would be separate from the
 cost of meals. The hotel district in
 New York is so distant and remote
 from the business section where the
 Standard Oil company has head-
 quarters that it is the invariable prac-
 tice to take your meals in the busi-
 ness district and be close.

CUMBLE AND ROLAND AT ROCKY

Monday evening witnessed a debate that will be long remembered by the citizens residing in the vicinity of Rocky Chapel The socialists had reported it in different places that R C Roland had been so utterly whipped in his two previous encounters with T T Cumble the socialist organizer that he had left the trail entirely if they really believed that such was the case however they were sadly undeceived for about dark Monday Mr Roland in company with the Democrat man set sail to Rocky Chapel We knew nothing of the road beyond that and less believing men would have abandoned the chase and returned to Ada rather than wind around those field and rocks It was 3 o'clock when we reached the school house and found a fair sized crowd assembled and the socialist already speaking

When the Democratic champion arrived it was agreed that each should occupy an hour and ten minutes Mr Cumble opening with fifty minutes and closing with twenty He made a characteristic socialist speech scoring capitalism and the democratic party in general and Gov Haskell and Senator Roddie in particular He named many evils which should not exist and which would not when the government took charge of everything and every man should be virtually an employee or pensioner of that government

Mr Roland made a fine speech full of old fashioned democracy and put the question squarely to his opponent how he figured on bringing about the changes upon which he had declared the salvation of the nation depended In his rejoinder however Mr Cumble was as silent on that phase of the question as during his introductory speech We are proud to say that Mr Roland acquitted himself well and we are pleased with him—Byron Norrell in his Democrat

FOR COUNTY JUDGE

The following announcement of Hon Conway O Barton is from the Francis Wigwam of a recent issue We take pleasure this week in printing the announcement of Conway O Barton for the important office of county judge

He was born in Texas 2 years ago and it is the ideal age to serve in a judicial capacity having the experience and wisdom which comes from many years of living and being at the full height of mental strength His legal education was received at the University of Virginia at which famous institution he was graduated this year ago

Since being admitted to the bar he has practiced law with increasing success and is acknowledged to be one of the best probate attorneys in Oklahoma While he has specialized in this department to some extent he has not done so at the expense of general practice his ability in both civil and criminal cases being unquestioned

Judge Barton has had experience on the bench having been a judge in Texas He has lived in Ada eight years and been honored with the responsible of mayor of that city He has always been a democrat and the kind that pulled off his coat and worked for the part regardless of the effect upon himself

The voters of Pontotoc county will make no mistake if by their ballots next August they place Judge Barton upon the democratic ticket for county judge

POND CREEK MILL BURNED.
Pond Creek, Ok., Feb. 18.—Early Sunday morning Andrew O. Crist's mill in Pond Creek was discovered to be on fire, and within thirty minutes was reduced to complete ruin. The mill and its contents were worth about \$4,000. Mr. Crist carried \$2,000 insurance on the building and machinery and \$500 on the grain. Just at this time of the year there was not a great deal of grain in the mill, and the insurance on the stock pretty nearly covered that loss.

When Starting on That Winter Trip Don't Forget Newbro's Herpicide One of the Essentials

On your winter vacation you will most certainly want a bottle of Herpicide. This is doubly true if your trip contemplates a visit to a warmer climate. It is under conditions of warmth and humidity that the viciousness of the dandruff germ is particularly noticeable.

AS IMPORTANT AS HER TOOTH BRUSH
"I find Newbro's Herpicide very beneficial for dandruff. I would no more think of going on a journey without a bottle of Herpicide than I would without my tooth power. By using it often and thoroughly I find I do not require a shampoo as frequently and my hair is much nicer."
Middlebury, Vt. Mrs. M. J. Wiltse.

AN OPINION FROM THE WORLD'S GREATEST LADY RIFLE SHOT
"Traveling as I do—almost continuously, I have been troubled a great deal with dandruff and falling hair and until I tried Herpicide I never found a remedy that was satisfactory.
Herpicide is a delightful preparation and fulfills the claims you make for it and no lady's toilet is complete without it.
I heartily recommend it to my friends."
Nuttley, N. J. Annie Oakley.

The germ is always busy. There is no escape except in the use at regular intervals of Newbro's Herpicide. Herpicide carries sure and certain death to this germ and is the one really reliable remedy.
An imitation or something just as good won't do. Insist on having genuine Herpicide.
